From legendary director/producer Sam Raimi ('Spiderman' theatrical movies, Hercules/Xena television series), ***Legend of the Seeker*** is a live-action series based on *The Sword of Truth* series of novels by Terry Goodkind. Millions of readers from around the world have been held spellbound by this valiant tale vividly told. Now, a hit show with a deft blend of great characters, magic, wizardry and an epic struggle of good versus evil!

Filmed entirely on location in New Zealand.

Premiered in Fall 2008 as the highest rated first-run show in Syndication since 2002! One of the top-viewed shows on *Hulu.com* with over 2 million views in March 2009 alone.

Returns for its second season of action-adventure in Syndication!
